

# North Carolina's Green Industry

**Adding beauty and value to your world**

**North Carolina is known worldwide for the quality and diversity of our ornamental plant production. Our growers take great pride in providing plants that enhance the quality of life for all of our state's citizens.**

**North Carolina's Green Industry contributes over \$8.6 Billion dollars to the state's economy.**

**Attractive landscaping can add 15% or more to the value of your home**

**Ask for North Carolina grown trees, shrubs, flower Christmas trees and turf from your local Garden Center or Landscape Professional**

**For more information you may contact the North Carolina Department of Agriculture and Consumer Services at 252-331-4773 Ext. 25 or 828-253-1691 Ext. 13**
